

FACT-WR

Base Product

FACT® WR Fiber Entrance Wall Cabinet

The FACT-WR is a compact, sealed wall-mountable rack featuring a unique physical fiber management system. Designed for use in datacenter entrance rooms, exchanges, head-ends, or customer premises, it is ideal fiber entrance rooms and vault applications where outdoor cables are spliced to indoor cables. It also serves as a small Optical Distribution Frame (ODF) for limited fiber counts.

As the successor to the FIST®-WR2 wall rack, the FACT-WR is fully compatible with CommScope’s advanced FACT® chassis portfolio.

Product Classification

Regional Availability	EMEA Latin America North America
Portfolio	CommScope®
Product Type	Fiber entrance cabinet
Product Brand	FACT®
Product Series	FACT

General Specifications

Access	Front
Cable Entry Location	Bottom Top
Cable Exit Location	Bottom Top

FACT-WR

Color	Putty white
Mounting	Wall
Splice Drawers, quantity	FACT 28E

Dimensions

Height	1000 mm 39.37 in
Width	840 mm 33.071 in
Depth	330 mm 12.992 in

Environmental Specifications

Environmental Space	Indoor/Outdoor
